## SUBJECT INDEX

### A

#### Academy of Nutrition and Dietetics

The changing landscape of nutrition and dietetics: a specialty group for integrative and functional medicine. Swift KM. 2012;11(2):19-20.

#### ADA

See American Dietetic Association

#### Adherence

Insight-motivated learning: a model to improve stress management and adherence in chronic health conditions. Ronzio RA, Ronzio PA. 2012;11(2):22-28.

#### Adjunctive naturopathic care

Adjunctive naturopathic care for type 2 diabetes: patient-reported and clinical outcomes after 1 year. Bradley R, Sherman KJ, Catz S, Calabrese C, Oberg EB, Jordan L, Grothaus L, Cherkin D. 2012;11(6):34-43.

#### Affordable Care Act

The path ahead: rearranging the chairs on the *Titanic*. Pizzorno J. 2012;11(4):8-10.

Industry insights: American Medical Association opposes non-discrimination language supporting CAM practice in Affordable Care Act ... plus more. Weeks J. 2012;11(5):12-14.

#### Alcohol

The path ahead: what should we tell our patients about alcohol? Pizzorno J. 2012;11(6):8-11.

#### Alternative

An osteoinductive protein complex that stimulates regeneration of bone and cartilage for treatment of moderate to severe osteoarthritis. Garian R, Donar A, DeFabio D, Gahles N, Scaffidi JJ. 2012;11(5):16-21.

Healing cancer in a holistic environment: an interview with Karin Whitney Cooke, RN. Burnett K. 2012;11(5):50-58.

#### Alternative treatment

Effect of human electromagnetic fields in relief of minor pain by using a Native American method. Westerlund S, González Medina ME, Pérez González O. 2012;11(1):39-44.

#### American College of Preventive Medicine

Industry insights: more than two dozen studies demonstrate CAM cost-effectiveness ... plus more. Weeks J. 2012;11(6):12-15.

#### American Dietetic Association

The changing landscape of nutrition and dietetics: a specialty group for integrative and functional medicine. Swift KM. 2012;11(2):19-20.

#### American Medical Student Association

BackTalk: do you know where your children are? Benda B. 2012;11(2):64.

#### AMSA

See American Medical Student Association

#### Analgesics

Environmental costs of pain management: pharmaceuticals vs physical therapies. Sinclair M. 2012;11(5):38-44.

### Animals

BackTalk: in the land of the Labrador. Benda B. 2012;11(5):64.

### ASD

See Autism spectrum disorder

### Autism360

Autism 360: the development of an online database with patient-entered data. MacDonald Baker S. 2012;11(1):18-26.

### Autism

Nutritional factors in autism: an overview of nutritional factors in the etiology and management of autism.

Balasubramanian S, Kendler B. 2012;11(1):46-48.

Autism 360: the development of an online database with patient-entered data. MacDonald Baker S. 2012;11(1):18-26.

### Autism spectrum disorder

Nutritional factors in autism: an overview of nutritional factors in the etiology and management of autism.

Balasubramanian S, Kendler B. 2012;11(1):46-48.

Autism 360: the development of an online database with patient-entered data. MacDonald Baker S. 2012;11(1):18-26.

### Avicenna

Unani medicine, part 1. Abdelhamid Y. 2012;11(3):24-30.

Unani medical theory in principle, part 2—the *vis medicatrix naturae*. Abdelhamid Y. 2012;11(4):26-33.

Unani medicine, part 3—the practice framework. Abdelhamid Y. 2012;11(5):24-30.

### B

#### Biphosphonates

A rationale for an approach to preventing and treating bisphosphonate-related osteonecrosis of the jaw with vitamin K2 menaquinone-4. Neustadt J, Pieczenik S. 2012;11(2):30-37.

#### Black seed

Unani medicine, part 1. Abdelhamid Y. 2012;11(3):24-30.

Unani medical theory in principle, part 2—the *vis medicatrix naturae*. Abdelhamid Y. 2012;11(4):26-33.

Unani medicine, part 3—the practice framework. Abdelhamid Y. 2012;11(5):24-30.

#### Bone density

A rationale for an approach to preventing and treating bisphosphonate-related osteonecrosis of the jaw with vitamin K2 menaquinone-4. Neustadt J, Pieczenik S. 2012;11(2):30-37.

#### Bone health

A rationale for an approach to preventing and treating bisphosphonate-related osteonecrosis of the jaw with vitamin K2 menaquinone-4. Neustadt J, Pieczenik S. 2012;11(2):30-37.

#### BPs

See Biphosphonates

#### Brochure

BackTalk: brand new wine. Benda B. 2012;11(6):64.

## **Bulimia**

Outside the “diagnostic box”: a case of bulimia and obsessive-compulsive disorder. Barton S. 2012;11(6):22-25.

## **C**

### **Caloric restriction**

A pilot study to evaluate the physiological effects of a spa retreat that uses caloric restriction and colonic hydrotherapy. Wintering N, Wilson JC, Newberg A. 2012;11(6):26-32.

### **CAM**

The changing landscape of nutrition and dietetics: a specialty group for integrative and functional medicine. Swift KM. 2012;11(2):19-20.

Industry insights: study validates strength of naturopathic care in diabetes management...plus more. Weeks J. 2012;11(3):14-16.

Industry insights: inclusion criteria fuels concern in proposed integrative medicine specialty...plus more. Weeks J. 2012;11(4):14-16.

Industry insights: American Medical Association opposes non-discrimination language supporting CAM practice in Affordable Care Act ... plus more. Weeks J. 2012;11(5):12-14.

Industry insights: more than two dozen studies demonstrate CAM cost-effectiveness ... plus more. Weeks J. 2012;11(6):12-15.

### **Cancer**

Physiologic and behavioral outcomes of a physical activity intervention designed specifically for survivors of cancer: a pilot study. Hatchett A, Bellar D. 2012;11(4):19-25.

### **Cannon**

Unani medicine, part 1. Abdelhamid Y. 2012;11(3):24-30.

Unani medical theory in principle, part 2—the *vis medicatrix naturae*. Abdelhamid Y. 2012;11(4):26-33.

Unani medicine, part 3—the practice framework. Abdelhamid Y. 2012;11(5):24-30.

### **Cardiodoron**

Using a complementary herbal therapy in heart failure. Meyer RP, Ciolino J, O'Brien TX. 2012;11(2):38-41.

### **Carnosine**

Nutritional factors in autism: an overview of nutritional factors in the etiology and management of autism. Balasubramanian S, Kendler B. 2012;11(1):46-48.

### **Casein**

Nutritional factors in autism: an overview of nutritional factors in the etiology and management of autism. Balasubramanian S, Kendler B. 2012;11(1):46-48.

### **Case study**

Lymphoma treatment with Pacific yew and pokeroot. Friedman M, Baisley J. 2012;11(3):42-47.

Expecting to heal: *docere*, pancreatic cancer, and a physician's role in healing. Steinke W. 2012;11(3):48-50.

### **Chondroitin**

An osteoinductive protein complex that stimulates regeneration of bone and cartilage for treatment of moderate to severe osteoarthritis. Garian R, Donar A, DeFabio D, Gahles N, Scaffidi JJ. 2012;11(5):16-21.

### **Chronic disease**

Insight-motivated learning: a model to improve stress management and adherence in chronic health conditions. Ronzio RA, Ronzio PA. 2012;11(2):22-28.

### **Chronic kidney disease**

Effects of a diet low in advanced glycation end products (AGEs) in humans. Uribarri J. 2012;11(5):46-49.

### **Clinical outcomes**

Adjunctive naturopathic care for type 2 diabetes: patient-reported and clinical outcomes after 1 year. Bradley R, Sherman KJ, Catz S, Calabrese C, Oberg EB, Jordan L, Grothaus L, Cherkin D. 2012;11(6):34-43.

### **Clinical practice**

The changing landscape of nutrition and dietetics: a specialty group for integrative and functional medicine. Swift KM. 2012;11(2):19-20.

Insight-motivated learning: a model to improve stress management and adherence in chronic health conditions. Ronzio RA, Ronzio PA. 2012;11(2):22-28.

Hypnotherapy in the treatment of opium addiction: a pilot study. Golabadi M, Taban H, Yaghoubi M, Gholamrezaei A. 2012;11(3):19-23.

Spirituality in integrative medicine. Williams-Orlando C. 2012;11(4):34-40.

Ensuring the safety of compounded products: best clinician practices and an existing solution. Savage P. 2012;11(6):17-20.

### **Cognition**

Effect of mercury levels and seafood intake on cognitive function in middle-aged adults. Masley SC, Masley LV, Gualtieri CT. 2012;11(3):32-40.

### **Cognitive function**

Effect of mercury levels and seafood intake on cognitive function in middle-aged adults. Masley SC, Masley LV, Gualtieri CT. 2012;11(3):32-40.

### **Collaborative care**

Collaborative practice benefits patients: an examination of inter-professional approaches to diabetes care. Hellquist K, Bradley R, Grambart S, Kapustin J, Loch J. 2012;11(4):43-48.

### **Collagen**

A rationale for an approach to preventing and treating bisphosphonate-related osteonecrosis of the jaw with vitamin K2 menaquinone-4. Neustadt J, Pieczenik S. 2012;11(2):30-37.

### **Colonic hydrotherapy**

A pilot study to evaluate the physiological effects of a spa retreat that uses caloric restriction and colonic hydrotherapy. Wintering N, Wilson JC, Newberg A. 2012;11(6):26-32.

### **Commentary**

Industry insights: Bravewell report offers fascinating reading as long as its perspective is recognized...plus more. Weeks J. 2012;11(1):15-17.

Industry insights: home births promoted by Washington State to provide satisfaction, effectiveness, and cost savings...plus more. Weeks J. 2012;11(2):14-16.

Industry insights: study validates strength of naturopathic care in diabetes management...plus more. Weeks J. 2012;11(3):14-16.

Industry insights: inclusion criteria fuels concern in proposed integrative medicine specialty...plus more. Weeks J. 2012;11(4):14-16.

Collaborative practice benefits patients: an examination of inter-professional approaches to diabetes care. Hellquist K, Bradley R, Grambart S, Kapustin J, Loch J. 2012;11(4):43-48.

Industry insights: American Medical Association opposes non-discrimination language supporting CAM practice in Affordable Care Act ... plus more. Weeks J. 2012;11(5):12-14.

## Complementary

An osteoinductive protein complex that stimulates regeneration of bone and cartilage for treatment of moderate to severe osteoarthritis. Garian R, Donar A, DeFabio D, Gahles N, Scaffidi JJ. 2012;11(5):16-21.

Healing cancer in a holistic environment: an interview with Karin Whitney Cooke, RN. Burnett K. 2012;11(5):50-58.

## Complementary therapy

Hypnotherapy in the treatment of opium addiction: a pilot study. Golabadi M, Taban H, Yaghoubi M, Gholamrezaei A. 2012;11(3):19-23.

## Compound products

Ensuring the safety of compounded products: best clinician practices and an existing solution. Savage P. 2012;11(6):17-20.

## Conferences

BackTalk: brand new wine. Benda B. 2012;11(6):64.

## Congestive heart failure

Using a complementary herbal therapy in heart failure. Meyer RP, Ciolino J, O'Brien TX. 2012;11(2):38-41.

## Contaminants

Environmental costs of pain management: pharmaceuticals vs physical therapies. Sinclair M. 2012;11(5):38-44.

## Cooke, Karin Whitney

Healing cancer in a holistic environment: an interview with Karin Whitney Cooke, RN. Burnett K. 2012;11(5):50-58.

## Cosmology

Unani medicine, part 1. Abdelhamid Y. 2012;11(3):24-30.

Unani medical theory in principle, part 2—the *vis medicatrix naturae*. Abdelhamid Y. 2012;11(4):26-33.

Unani medicine, part 3—the practice framework. Abdelhamid Y. 2012;11(5):24-30.

## Cost-effectiveness

Industry insights: more than two dozen studies demonstrate CAM cost-effectiveness ... plus more. Weeks J. 2012;11(6):12-15.

## Credentials

Industry insights: study validates strength of naturopathic care in diabetes management...plus more. Weeks J. 2012;11(3):14-16.

## D

### Data analysis

Autism 360: the development of an online database with patient-entered data. MacDonald Baker S. 2012;11(1):18-26.

### Death

BackTalk: in the land of the Labrador. Benda B. 2012;11(5):64.

### Dentistry

To treat chronic disease, look first to the mouth: an interview with Hal A. Huggins, DDS, MS. Burnett K. 2012;11(2):48-54.

### Depression

Physiologic and behavioral outcomes of a physical activity intervention designed specifically for survivors of cancer: a pilot study. Hatchett A, Bellar D. 2012;11(4):19-25.

### Detox diet

Symptom relief and weight loss from adherence to a meal replacement-enhanced, low-calorie detoxification diet. Morrison JA, Iannucci AL. 2012;11(2):42-47.

### Detox questionnaire

Symptom relief and weight loss from adherence to a meal replacement-enhanced, low-calorie detoxification diet. Morrison JA, Iannucci AL. 2012;11(2):42-47.

## Diabetes

Industry insights: study validates strength of naturopathic care in diabetes management...plus more. Weeks J. 2012;11(3):14-16.

Collaborative practice benefits patients: an examination of inter-professional approaches to diabetes care. Hellquist K, Bradley R, Grambart S, Kapustin J, Loch J. 2012;11(4):43-48.

Effects of a diet low in advanced glycation end products (AGEs) in humans. Uribarri J. 2012;11(5):46-49.

## Diet

Healing eating disorders: an interview with Mehri Moore, MD, and Raven Bonnar-Pizzorno, MS, RD, CD. Burnett K. 2012;11(3):52-56.

## Dietetics

The changing landscape of nutrition and dietetics: a specialty group for integrative and functional medicine. Swift KM. 2012;11(2):19-20.

## Disease

Expecting to heal: *docere*, pancreatic cancer, and a physician's role in healing. Steinke W. 2012;11(3):48-50.

## Dogs

BackTalk: in the land of the Labrador. Benda B. 2012;11(5):64.

## Dying

BackTalk: in the land of the Labrador. Benda B. 2012;11(5):64.

## Dysmenorrhea

Effect of human electromagnetic fields in relief of minor pain by using a Native American method. Westerlund S, González Medina ME, Pérez González O. 2012;11(1):39-44.
